

God Talk

This group of post high school young adults meets with Jon and Sharon Orem on Monday evenings from 6:30-8:00. They share a meal, devotions, a recreational activity, and fellowship. The Orem's and some of these individuals have been involved with the canned food collection mission since it was begun by the youth groups several years ago. They are continuing to support this very worthy cause into adulthood. God Talk participants tally the donated food items for Human Services and prepare them for Mike Bunton and his sons to deliver to the food pantry.
