

## **Women's Bible Study Circles**

The Presbyterian Women participate in circles which engage in Bible Study. The Circles are taught by Patty Shuler; one group is currently studying the Book of Genesis by using study materials by Celia Brewer Sinclair titled, *In the Beginning – Perspectives on Genesis*. The other discussed the book *Fresh Bread and Other Gifts of Spiritual Nourishment* by Joyce Rupp and other materials. The combined Circles sponsor a Spring Gathering where the groups have dessert and wonderful fellowship together.
