

## **CCC 55+ (Coffee, Cookies, & Conversation)**

Originally, this group was formed in order to establish friendships among the mature members of the congregation. They met for “Coffee, Cookies, and Conversation”. Their gatherings were so successful and they enjoyed each other’s company so much that it has expanded over the 15 years it has been in existence.

These energetic 55+ members and friends meet monthly for lunch at a local or out-of-town restaurant. A program or tour usually follows the meal. Members share in suggestions for programs and planning of events.
