

Camp Pyoca

The church supports Camp Pyoca in Brownstown, Indiana. The camp is available for youth to attend week-long camping activities in the summer and also for adults to schedule retreats and conferences during available times at the camp. The congregation schedules a Sunday afternoon picnic at the camp in October to enjoy the beauty of Indiana fall foliage and fellowship together. It is a great time to explore the camp, hike the trails around the lake, and sit around the campfire and commune with God amid the beauty of His creation.
