

Prayer Shawl Ministry

A group of dedicated women meet at 7:30 p.m. on the fourth Monday of each month to knit and/or crochet shawls for members and friends who are shut-in, recuperating, working through a crisis situation, or celebrating a major life event. This group is led by Mattie Krautheim. A large collection of shawls was dedicated during a church service in February. The individuals in this ministry not only benefit by pouring out their love of God in such an artistic manner, but they also enjoy the camaraderie of working together to pass on God's love to others in need of comfort.
