

Shelby County Health Clinic

A number of members of the congregation volunteer at the Shelby County Health Clinic on Tuesday evenings. This clinic provides medical care by local doctors at no cost to the patient. The following members work on a regular basis at the clinic: Betty Alexander, Nancy Mazonas, Judy Mitchell, Jane Runshe, Barb Schutz, Dawn Whitfield and Miriam Willey.

In addition, another congregation member, Cheryl Miller, reads to and talks with the children as they are waiting with parents for appointments at the clinic.
