NEWS & CALENDAR

The Opportunity Zone is a ministry of First Presbyterian Church and is developed and designed to encourage middle-schoolers to try something new and explore new interests. We know many middle-schoolers do not have these types of opportunities or can't afford to pay for them. We believe that middle school is an important time in the transition from childhood to adult. Kids need to know they have gifts and are appreciated for who they are and what they can contribute to their family and community.

Opportunity Zone is available at no charge to participants and all equipment and supplies are furnished for each session.

Since it is only a six-week commitment, kids can try something out and see if they like it. When they find something they love, we will help them develop their skills in that activity. Our hope is that some of these children will find a new, life-long interest that helps them build their self-confidence, develop friendships and adult relationships, and see new possibilities for their future.

This session begins the week of April 5 and includes choice of guitar, bowling, paper-crafting, cooking and boxing
